

The background of the slide features a dark orange gradient. On the left side, there is a large, black silhouette of a traditional Japanese torii gate. In the background, behind the gate, is a smaller silhouette of a pagoda. The overall aesthetic is minimalist and evokes a sense of traditional Japanese culture.

NINJA SHIBA INU

ABOUT

Ninja Shiba Inu is a cryptocurrency project inspired by Shiba. It is a BEP20 token created using the Binance Smart Chain network. Its abbreviation is known as NINSHIBA. It is possible to purchase through PancakeSwap.
